I can't believe it
Tell me I'm dreaming
That we are still we
It was amazing
Said you were lucky
That you found me

It was on a rainy day that we met
You didn't have a place to go, yeah
As we just met so let's go slow, but no
You just told me to keep you from the cold
Sorry, I can't take it
Why did you fake it?
Why did we kiss?

And I'm just down
You left me with a note without a sound
I figured I must stop being such a child
You'll never know how much I've been around

How my heart just frowns if you're down
I'll be your teddy bear
I'll be your clown
I'll take you round and round, and
If you don't mind, I could be your standing ground
Even if that means I drown

As we just met so let's go slow, but no
You just told me to keep you from the cold
Sorry, I can't take it
Why did you fake it?
Why did we kiss? Oh

And I'm just down
You left me with a note without a sound
I figured I must stop being such a child
You'll never know how much I've been around

How my heart just frowns if you're down
I'll be your teddy bear
I'll be your clown

I'll take you round and round, and
If you don't mind, I could be your standing ground
Even if that means I drown

And baby, that would be my
One last vow
