Escaping contamination  
Is a difficult operation  
I need some hibernation  
Hide me from the evil  
Protect me from the vultures

The men and the women drink  
And make children  
They need some hibernation  
To hide them from the evil  
Protect them from the vultures  
Guide me through the colours

Spring it dies summer arrives  
Summer dies autumn arrives  
Autumn dies winter arrives  
Forever and ever  
Ever and ever

I need hibernation  
To stray with deviation  
To gather some information  
Hide me from the evil  
Protect me from the vultures  
Guide me through the colours

Spring it dies summer arrives  
Summer dies autumn arrives  
Autumn dies winter arrives  
Forever and ever  
Ever and ever  
Ever and ever

Spring it dies summer arrives  
Summer dies autumn arrives  
Autumn dies winter arrives  
Spring it dies summer arrives  
Summer dies autumn arrives  
Autumn dies winter arrives  
Forever
