"Always And Forever"

Halfway to heaven I saw a light was on
The deep blue of emptiness my refuge so strong
Through needles, by highways, I'll travel to your light
Chariots of fire, and chariots of ice

[Chorus:]

Here in your arms
The scent of your charms
Here in your arms
For always and forever
Oh always and forever
And always and ever
My Home

All that I asked of you was more of the same
All I received from you was more of this pain

[Chorus]

Always and ever
Oh always and ever
Oh always and ever
My Home
Here in your arms
The scent of your charms
Here in your arms
For always and ever
Oh always and ever
And always and ever
My Home
