Things go wrong when I trust them, in my naive way I
love them

Like you told me to love them, I abide by man made
rules

And am a picture of all fools, I have a border of white
clues

I use the formulae of everyday
In the floods I'll stay and get washed away

People talk in nothing with a reverence in a something
And my heart beats on with indifference to the lessons
of attrition

I am a picture of all fools, I have a border of white clues

I use the formulae of everyday
In the floods I'll stay and get washed away

Formulae of everyday
In the floods I'll stay and get washed away

Formulae of everyday
In the floods I'll stay and get washed away

Formulae of everyday
In the floods I'll stay and get washed away

Formulae of everyday
In the floods I'll stay and
