"Wicked game"

The world was on fire no-one could save me but you
Strange what desire will make foolish people do
I never dreamed that I'd meet somebody like you
I never dreamed that I'd love somebody like you
No, I don't wanna fall in love (that little girl will only
break your heart)
No, I don't wanna fall in love (that little girl will only
break your heart)
With you
What a wicked game to play to make me feel this way
What a wicked thing to do to make me dream of you
What a wicked thing to say you never felt this way
What a wicked thing to do to make me dream of you
No, I don't wanna fall in love (that little girl will only
break your heart)
No, I don't wanna fall in love (that little girl will only
break your heart)
With you
The world was on fire no-one could save me but you
Strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
I never dreamed that I'd loose somebody like you
No, I don't wanna fall in love (that little girl will only
break yourheart)
No, I don't wanna fall in love (that little girl will only
break yourheart)
With you
Nobody loves no-one
