I'm only dreaming  
It's not my fantasy  
This is a reality  
I have to escape, I have to escape from here

Danger in the night the hounds are at your heels  
Crawling in the mud you slither like an eel  
Prisoners on the run in winter time  
You gotta try and hide

All you feel is pain burning in your soul  
Driving you insane on and on you go  
Prisoners on the run, don't lose you mind tonight  
You don't wanna die

Oh oh oh oh oh oh oh  
You gotta survive  
But there's just not enough to hold on  
Oh oh oh oh oh oh oh  
You wanna survive but there's just not enough to go on

Sleepin' as you run, watchin' where you stand  
Anger in your heart, panic in your head  
Rebel on the run your night is crime  
Timing not on your side  
Raining hard and fast, you're just moving slow  
How long can you last, on and on you go  
Rebel on the run, don't lose you mind tonight  
You don't wanna die

Oh oh oh oh oh oh oh  
You gotta survive  
But there's just not enough to hold on  
Oh oh oh oh oh oh oh  
You wanna survive but there's just not enough to go on

Oh oh oh oh oh oh oh  
You just wanna stop but you find it moving you on  
Oh oh oh oh oh oh oh  
You just wanna stop but you know that you gotta go on

Wilder and wilder you're growing inside me  
I don't know where I'm going  
I'm like a tiger in the night looking for a place to hide  
I'm not in a dream, it's not my fantasy  
This is a reality, i'm like a tiger in the night

I have to escape, I have to escape from here  
Oh oh oh oh oh oh oh  
You gotta survive  
But there's just not enough to hold on  
Oh oh oh oh oh oh oh  
You wanna survive but there's just not enough to go on

Oh oh oh oh oh oh oh  
You just wanna stop but you find it moving you on  
Oh oh oh oh oh oh oh  
You just wanna stop but you know that you gotta go on
