You tuck me in,  
Turn out the light  
keep me safe and sound at night  
little girls depend on things like that

Brush my teeth and combed my hair  
had to drive me everywhere  
you were always there when I looked back

You had to do it all alone  
Make a live, make a home  
Must have been as hard as it could be

And when I couldn't sleep at night  
Scare things wouldn't turn out right  
you would hold my hand and sing to me

Caterpillar in the tree, how you wonder who you'll be

can't go far but you can always dream  
Wish you may and wish you mine  
don't you worry hold on tight.  
I promise you there will come a day  
Butterfly Fly Away  
Butterfly Fly Away (butterfly fly away)  
Butterfly flyaway (butterfly flyaway)  
Catch your wing now you cant stay  
Take those dreams and make them all come true  
Butterfly Fly Away (butterfly fly away)  
We been waiting for this day  
All along and know just what to do  
Butterfly, Butterfly, Butterfly,  
Butterfly Fly Away
