Shawty my desert, lick her whole body up,
Shawty my desert, lick her whole body up.
Shawty my desert, lick her whole body up,
Shawty my desert, lick her whole body up.
Shawty my desert, lick her whole body up.
Shawty my desert, lick her whole body up.

Girl, you're looking like a menu,
Everything on you looks good to me,
You make me wanna read you,
Tell me what is your specialty.

Can I get a preview?
A sample, a taste, what you got on me?
I got a hunger for you,
Craving the days I'm yours, oh baby.

Shawty my desert, lick her whole body up.
Shawty my desert, lick her whole body up.
I'll be your desert, lick my whole body up,
I'll be your desert, lick my whole body up.

Can I get that? Can I get that? Can I get that?
Maybe some of that?
Girl, what you're doing got me,
Girl, let me lick you up and down.
Can I get that? Can I get that? Can I get that?
Maybe some of that?
Girl, what you're doing got me,
Don't you say "stop"

Shawty my desert, lick her whole body up.
Shawty my desert, lick her whole body up.
I'll be your desert, lick my whole body up,
I'll be your desert, lick my whole body up.

What's your recipe, girl?
Addicted to your ingredients.
I wanna tear the wrapper off,
'Cause you're sweet like chocolate, with a cherry set.

Maybe we can mix it up,

Take you plus me, skip treats to cause three.
Baby, let me heat it up,
You're the only flavor that tastes good to me.

Shawty my desert, lick her whole body up.
Shawty my desert, lick her whole body up.
I'll be your desert, lick my whole body up,
I'll be your desert, lick my whole body up.

Can I get that? Can I get that? Can I get that?
Maybe some of that?
Girl, what you're doing got me,
Girl, let me lick you up and down.
Can I get that? Can I get that? Can I get that?
Maybe some of that?
Girl, what you're doing got me,
Don't you say "stop"
