From being days behind
Fast forward and rewind
I'm finding it hard to stand up
Now I'm facing my regret
I've got nothing left
I'm walking around in circles

I don't wanna be alone
Don't leave me on this road
I'm just begging you

(Chorus)

Girl I just called to let you know oh oh
It's not over no
It's not over no
I wanna be the only one oh oh
It's not over no
It's not over
Don't go
Don't go

Gonna tell you how I feel
I hope that if I'm real
You'll come back to me, yeah
Now I'm so afraid
I left it all too late
But won't you hear me now though

I don't wanna be alone
Don't leave me alone on this road
I'm begging you

(Chorus)

Girl I just called to let you know oh oh
It's not over no
It's not over no
I wanna be the only one oh oh
It's not over no
It's not over
Don't go
Don't go

Just wanna be the only
The only one to hold you
Just wanna be the only
The only one
So I'm begging you, yeah...

(Chorus)
Girl I just called to let you know oh oh
It's not over no
It's not over no
I wanna be the only one oh oh
It's not over no
It's not over
Don't go
Don't go
