You give me la la la la la life  
La la la la la  
Hit me one more time  
La la la la la life

I feel your blood pumping through my veins  
My veins, right through my veins  
So when you go I feel so drained  
So drained, I feel so drained  
All of your energy is raging  
Oh when itâ€™s gone, it leaves me craving oh

Intravenous love, feel it drippin into my veins  
Intravenous love, feel it pump pump pump

You give me life  
Wooh wooh  
You give me life  
Wooh wooh  
You give me la la la la la life

Keep me alive, check my vital signs  
My pulse feels weak, so weak  
I need a supply of your mouth to mouth  
Donâ€™t speak, load me, donâ€™t speak  
All of your energy got me racing  
And itâ€™s gold cause itâ€™s live or die weâ€™re  
chasin

You give me life  
Wooh wooh  
You give me life  
Wooh wooh  
You give me life  
Wooh wooh  
You give me life  
Wooh wooh

Intravenous love, feel it drippin into my veins  
Intravenous love, feel it pump pump pump  
Intravenous love, feel it drippin into my veins  
Intravenous love, feel it pump pump pump

You give me life  
Wooh wooh  
You give me life  
Wooh wooh
