The king of the castle
Has got you under lock and key
Yeah, I'm armed and ready for battle
It's time to face the enemy
Yeah

I'll put up a fight
Not giving up
Now the pressure's on
Show me what you got
Won't accept defeat
I'll never stop
I'll do whatever, whatever

I'ma go get get get go getter
And I'ma go get get get go getter
Never gon' quit I ain't no quitter
Knock me down and I'll get up again

You are my princess
The one I need to liberate
They can burn down the bridges
But I'ma get there anyway
Get there anyway
Now is the time
Time to step it up
Want you to be mine
No matter what
And I'll give my life just to feel your touch
Can't you see it in my eyes

I'ma go get get get go getter
And I'ma go get get get go getter
Never gon' quit I ain't no quitter
Knock me down and I'll get up again

Cause I'ma go get get get go getter
And I'ma go get get get go getter
Never gon' quit I ain't no quitter
Knock me down and I'll get up again

I'm not gonna back down, down no
I'm not living without your love
Cause it's priceless and I'll fight for it
Until I'm the last one standing
