Can I talk to you?
Cos there's something I should say
Girl I'm so confused (Hey!) - Is he your boyfriend?
If I jump the gun
Put me right back in my place
Can I kiss and run (Hey!) - Like I'm your boyfriend

I can be your toyfriend, I can be your lover
Take it how you want girl, treat you like no other
Say, I can be your toyfriend, I can be your lover
Take it how you want girl, treat you like no other
If you should ever wonder why these dudes have
formed a line,
It's cos they see the sexiness that's finally been
defined

How does it feel to be the hottest girl in the world right
now? World right now?
How does it feel to be the hottest girl in the world right
now? World right now?
You've got something no other girl's like that
I wanna touch you so tell me how
How does it feel to be the hottest girl in the world right
now? World right now?
How does it feel to be the hottest girl in the world right
now? World right now?

Ha ha
You know it's funny cos
Heh, you have no idea

I ain't giving up
So I gotta know your name
Think I've talked enough (Oh!)
So what are you saying?
Girl, I can be your Mister Right, or I can be your Mister
Right Now
Either way girl, let's just shut, this, down

I can be your toyfriend, I can be your lover (Ooo)
Take it how you want girl, treat you like no other (Hey!)
Say, I can be your toyfriend, I can be your lover (Na na

na nah)

Take it how you want girl, treat you like no other (Oh oh
oh ohhh)

If you should ever wonder why these dudes have
formed a line,
It's cos they see the sexiness that's finally been
defined, oh

How does it feel to be the hottest girl in the world right
now? World right now?

How does it feel to be the hottest girl in the world right
now? World right now?

You've got something no other girl's like that

I wanna touch you so tell me how, eh

How does it feel to be the hottest girl in the world right
now? World right now?

How does it feel to be the hottest girl in the world right
now? World right now?

Is it cool, if I get real close?

Raise a glass, can I make a toast?

To the girl, the most beautiful

I've ever seen in my whole life, ever

I said how does it feel?

How does it feel to be the hottest girl in the world right
now? World right now?

How does it feel to be the hottest girl in the world right
now? World right now?

You've got something no other girl's like that

I wanna touch you so tell me how

How does it feel to be the hottest girl in the world right
now? World right now?

How does it feel to be the hottest girl in the world right
now? World right now?

How does it feel to be the hottest girl in the world right
now? World right now? (Hottest Girl, In The World)

How does it feel to be the hottest girl in the world right
now? World right now?
