I don't know why you don't want to put that dress on
And I don't know why you keep messing with your hair,
no
Maybe some guy made you feel insecure
But he was wrong and I am right
You're so beautiful tonight

Girl you're such a star
You got that fire
Burning in my heart all day
Yeah, yeah, yeah, yeah

If only you knew how amazing you are
Then you would know how much I love you
Baby, cause you told me 'don't try so hard'
Cause I'll be yours, you'll be mine
Oh baby, can't you see the signs?

I, I like the things you do to me
I like the way you make me feel
I like everything I see
I like it, I like it

I don't know why you put on all that make up
'Cause I don't know anyone who compares
You're the prettiest to me baby
The minute that you wake up
With the light in your eyes
Oh baby girl you got me blinded

Girl you're such a star
You got that fire
Burning in my heart all day
Yeah, yeah, yeah, yeah

If only you knew how amazing you are
Then you would know how much I love you
Baby, cause you told me 'don't try so hard'
Cause I'll be yours, you'll be mine
Oh baby, can't you see the signs?

I, I like the things you do to me

I like the way you make me feel
I like everything I see
I like it, I like it

I like the way you turn me on
I think about you when you're gone
I'm liking everything I see
I like it, I like it

You, you got me through and through
Baby, I'm so in love with you, I got it bad (got it bad)
Baby you got me losing all my cool
This feeling is so new
Baby I like it, I like it

If only you knew how amazing you are
Then you would know how much I love you
Baby, cause you told me to try so hard
Cause I'll be yours, you'll be mine
Oh baby, can't you see the signs?

I, I like the things you do to me
I like the way you make me feel
I'm liking everything I see
I like it, I like it

I like the way you turn me on
I think about you when you're gone
I'm liking everything I see
I like it, I like it
