He called her on the road  
From a lonely cold hotel room  
Just to hear her say I love you one more time  
But when he heard the sound  
Of the kids laughing in the background  
He had to wipe away a tear from his eye  
A little voice came on the phone  
Said daddy when you coming home  
He said the first thing that came to his mind

Im already there  
Take a look around  
Im the sunshine in your hair  
Im the shadow on the ground  
Im the whisper in the wind  
Im your imaginary friend  
And I know Im in your prayers  
Oh Im already there

Take a look around  
Im the sunshine in your hair  
Im the shadow on the ground  
Im the whisper in the wind  
Im your imaginary friend  
And i know im in your prayers  
Oh im already there

Im already ... already there
