Oohh did you like the feel of the crime  
Do you revel in the lights  
Cos you stole my trust tell me why  
Your addicted to goodbye

Tell me why your fronting on love  
Tell me why tell me why this isn't enough  
Maybe you were shot and killed by love  
Struck down in your crime  
Maybe you were shot and killed by love  
Not for the first time  
Thought I was the one to stop the rain  
But your only gonna shut me out again  
Maybe you were shocked and killed by love  
Your hearts in a chalk line

Oohh did you fall so deep that you drowned  
Is that why you always want out  
When you get too close you would bale  
Your addicted to there wealth

Tell me why your fronting on love  
Tell me why tell me why I'm never enough  
Maybe you were shot and killed by love  
Struck down in your crime  
Maybe you were shot and killed by love  
Not for the first time  
Thought I was the one to stop the rain  
But your only gonna shut me out again  
Maybe you were shocked and killed by love  
Your hearts in a chalk line

You and me we're only human we get hurt sometimes  
I can only take so much before I loose my mind  
Is this a waste of time

Maybe you were shot and killed by love  
Struck down in your crime  
Maybe you were shot and killed by love  
Not for the first time  
Thought I was the one to stop the rain  
But your only gonna shut me out again  
Maybe you were shocked and killed by love  
Your hearts in a chalk line

Maybe you were shot and killed by love  
Struck down in your crime  
Maybe you were shot and killed by love  
Not for the first time  
Thought I was the one to stop the rain  
But your only gonna shut me out again  
Maybe you were shocked and killed by love
