Uh ay ay eh
Uh ay ay eh
Uh ay ay eh
Eh eh eh eh

Uh ay ay eh (ay!)
Uh ay ay eh (ay!)
Uh ay ay eh

I hate to let go
But what can I do?
She left me standing in the cold
Another heartbreak
How much more can I take?
Don't wanna end up all alone

I don't wanna love her
I don't wanna play those games
I just want my mother
To tell me it's okay
Should I find another (Should I find another)
To take her place
I need a girl who's in it to stay

I wanna be single no more
I don't wanna be lost, I just wanna be loved
Someone to take me higher
Don't just wanna be touched, I wanna be hugged
I wanna be single no more
I don't wanna live bust, I wanna live up
Someone to hold on tighter
I don't wanna just kiss, I wanna make up
I wanna be single no more

Uh ay ay eh (ay!)
Uh ay ay eh (ay!)
Uh ay ay eh

As I look around
I see people who found
That special someone they've been waiting for

It makes me believe
That there's someone for me
Could it be her her her? Or her?
Hmm, or her?

I don't wanna love her
I don't wanna play those games
I just want my mother
To tell me it's okay
Should I find another (Should I find, Should I find,
Should I find)
To take her place
I need a girl who's in it to stay

I wanna be single no more
I don't wanna be lost, I just wanna be loved
Someone to take me higher
Don't just wanna be touched, I wanna be hugged
I wanna be single no more
I don't wanna live bust, I wanna live up
Someone to hold on tighter
I don't wanna just kiss, I wanna make up
I wanna be single no more

Uh ay ay eh (ay!)
Uh ay ay eh (ay!)
Uh ay ay eh

I wanna be single no more

Uh ay ay eh (ay!)
Uh ay ay eh (ay!)
Uh ay ay eh eh eh

No more...
No more...
No more...
No more...
I don't wanna be single...
No more...
No more...
I don't wanna be single...
No more...
I don't wanna be single no more

I wanna be single no more
I don't wanna be lost, I just wanna be loved
Someone to take me higher
Don't just wanna be touched, I wanna be hugged
I wanna be single no more
I don't wanna live bust, I wanna live up

Someone to hold on tighter
I don't wanna just kiss, I wanna make up
I wanna be single no more

Uh ay ay eh (ay!)
Uh ay ay eh (ay!)
Uh ay ay eh

I wanna be single no more

Uh ay ay eh (ay!) (I don't wanna be, I don't wanna
be)
Uh ay ay eh (ay!) (I don't wanna be, I don't wanna
be)
Uh ay ay eh (I don't wanna be, I don't wanna be)

I don't wanna be single, I don't wanna be single
I don't wanna be same one, the same one, the same
yo oh oh
I don't wanna be single, I don't wanna be single
I don't wanna be same one, the same one, single no
