when the night, has come,
and the land is dark,
and the moon, is the only,
light we'll see.
i won't cry, i won't cry,
no i won't, shed a tear,
just as long, as you stand,
stand by me..
so darling, darling, stand, by me,
ohhhh, won't you stand, by me,
ohhh stand, stand by me,
won't you, stand by me,
won't you, stand by me..

your way too beautiful girl,
that's why it'll never work,
you'll have me suicidal, suicidal,
when you say it's over..

now we're a fussin', now we're a fightin',
please tell me why, i'm feelin slightin',
cause i don't know, how, to make it better,
see your very divine girl, one of a kind,
but you mush up my mind, we have to take the time,
oh lord, my babys driving me crazy..
