Verse 1 (Aston) :

Your so scared to fall in love,  
coz you end up in the dust,  
everytime, everytime.  
now you see us all the same,  
like our words are just a game,  
spitting lies, dirty lies.

Verse 2 (Oritse):

I know you know there's something here,  
but you cannot get past the fear,  
i can help you make it clear.

Chorus (Aston):

So when you feel,  
like trying again,  
reach out take my hand,  
see how great it could be,  
to fall in love,  
with someone you can trust,  
who would never give up,  
coz your all that he needs,  
baby take a chance on me,  
baby take a chance on, oh woah,  
baby take a chance on me,  
baby take a chance on, oh woah woah.

Verse 3 (Aston):

You give 100%,  
but you've never seen a cent,  
they're so blind,  
they're so blind,  
coz im looking at your face,  
and the worlds a better place,  
in your eyes, lovely eyes.

Verse 4 (Oritse) :

I know you know there's something here,  
but you cannot get past the fear,

i can help you make it clear.

Chorus (Aston) :

So when you feel,  
like trying again,  
reach out take my hand,  
see how great it could be,  
to fall in love,  
with someone you can trust,  
who would never give up,  
coz your all that he needs,  
baby take a chance on me,  
baby take a chance on, oh woah,  
baby take a chance on me,  
baby take a chance on, oh woah woah

Bridge (Marvin) :

You got nothing to lose baby,  
but you wont know if you dont try,  
please dont leave me asking why,  
so when your ready to choose baby,  
i'll be here with open arms...

Bridge (Aston):

With the same love in my heart

Chorus (Aston) :

So when you feel,  
like trying again,  
reach out take my hand,  
see how great it could be,  
to fall in love,  
with someone you can trust,  
who would never give up,  
coz your all that he needs,  
baby take a chance on me,  
baby take a chance on, oh woah,  
baby take a chance on me,  
baby take a chance on, oh woah,

So when you feel like trying again....
