Close Your Eyes

(Verse)

she been looking in the sky  
to see a sight  
no more searching for mr right  
don't you know i am the one  
Your lonely days are over  
i am yours forever  
for every summer  
you will be the one that i'll remember

(Verse 2)

ain't no perfect time to say i love you  
so hear me say i love you  
Your lonely days are over  
i am yours forever  
for every summer  
you will be the one that i'll remember

(Chorus)

if you need a hero  
close your eyes and make a wish  
i'll come running to you  
i'll do anything for you

(Talking)

close your eyes  
just relax  
that's right  
you know who to call  
and i am here for you

(Bridge)

Your lonely days are over  
i am yours forever  
every summer

you will be the one that iâ€™ll remember  
iâ€™ll remember

(Chorus)

if you need a hero  
close your eyes and make a wish  
iâ€™ll come running to you  
iâ€™ll do anything for you

(Chorus)

if you need a hero (If you need a hero)  
close your eyes and make a wish  
iâ€™ll come running to you  
iâ€™ll do anything for you

if you need a hero  
close your eyes and make a wish  
iâ€™ll come running to you  
iâ€™ll do anything for you

(Outro)

close your eyes and make a wish  
close your eyes and make a wish
