(Verse 1)

you say you wanna party
i'll give it to you
everybody get ready to party
We Bring down the ceiling

Turn the musc, Let this club go wild
shorty drop it drop it low oh oh

(Bridge)

wait a minute turn them light down, down down low.
right now, everybody get ready to party
coz we ain't stopping till morning

(Pre Chorus)

dj play my favorite song
what you are you waiting for
we gone go on all night long

oh oh oh oh all night long
all night all night long

oh oh oh oh all night long
all night all night long

oh oh oh oh all night long
all night all night long

(Verse 2)

Jlucson in the building right now
don't trip you know how i do
You don't need no science to prove
i am the truth
bitch i am fresh than you
you can roll with me or drowN
i ma stick to our common grown
with stater name tarry damn
i got too many style hahha

(Verse 3)

they say they are fly but i know they r broke
numbers don't lie ni*** i am so dope
i ma change your life to a better one
no matter the price i never think twice
let me take you to a little place
where everything look a like paradise
where everything comes with height price
i ma show you how we kick in style

(Pre Chorus)

dj play my favorite song
what you are you waiting for
we gone go on all night long

oh oh oh oh all night long
all night all night long

oh oh oh oh all night long
all night all night long

oh oh oh oh all night long
all night all night long

(Verse 2)

Jlucson in the building right now
don't trip you know how i do
You don't need no science to prove
i am the truth
bitch i am fresh than you
you can roll with me or drowN
i ma stick to our common grown
with stater name tarry damn
i got too many style hahha
