eh uh
oh oh
i donâ€™t wanna fight no more

(Verse 1)

i forgot what we were fighting for
i don't wanna fight no more
no more cold wars

(Bridge)

Humm
you look so good tonight
it's been a while
since i touched your body

(Chorus)

Let's break these walls
for the sake of our love
Let's just forget what we were fighting for
and make love till dawn
I Don't Wanna fight no more
baby girl your love
was sent to me from up above
so beautiful like water fall

(Talking)

yeah
you know
i donâ€™t wanna fight
i just wanna...
just make up yeah

(Verse 2)

i imagined this moment
for a long time
why did it take so long to realize

(Bridge)

humm
you look so good tonight
it's been a while
since i touched your body

(Chorus)

Let's break these walls
for the sake of our love
Let's just forget what we were fighting for
and make love till down
I Don't Wanna fight no more
baby girl your love
was sent to me from up above
so beautiful like water fall

(Verse 3)

humm tonight
i just wanna make up
tonight ah

(Chorus)

Let's break these walls
for the sake of our love
Let's just forget what we were fighting for
and make love till down
I Don't Wanna fight no more
baby girl your love
was sent to me from up above
so beautiful like water fall

(Closing)

oh
oh
oh
yeah
yeah
