Artist: Jlucson

Song: Missing You

Album: Silver 2008

I can't stop missing you  
I wish you were here with me  
I can't stop missing you  
Girl don't let go  
Girl we belong together  
And that's for sure  
Everything I see you in my dream  
Everything I see you baby  
I can't stop missing you  
I wish you were here with me  
I can't stop missing you

I miss the way we kiss  
I miss the way you love me  
I miss everything about you baby  
I miss the way we touch  
I can't control myself  
And the way  
I've been missing you lady  
Oh oh oh oh

I don't wanna fight no more  
I don't wanna lie to you  
I just wanna be with you baby  
There is no doubt on my mind  
That we last forever  
If you give a second chance baby  
Oh noo oh year

I can't stop missing you  
I wish you were here with me  
I can't stop missing you  
Girl don't let go  
Girl we belong together  
And that's for sure  
Everything I see you in my dream  
Everything I see you baby  
I can't stop missing you

I wish you were here with me  
I can't stop missing you

Remember we made a vow  
That we will never be apart  
Remember baby oh  
Remember we made a vow  
That we will never be apart  
Remember baby oh
