you, complete

(Verse 1)

i can't get enough,
enough of your love,
just one touch,
its never good enough,
but one kiss would do the trick,
so come closer i wanna show you how i feel.

(Bridge)

you know i won't lie,
girl i will be true,
Koz i need you in my life,
i am so glad that i found you,
for better and for worse,
i will stand by you,
true love is sacrifice,
Its sacrifice,

(Chorus)

girl you are
the best thing in my life,
girl you are
the apple of my eye,
i'll give anything
for this feeling,
i'll give anything
everything Because,
you complete me,
you complete me,
you complete me,
you complete me,
you complete me,

(Verse 2)

i don't need too much,
all i need is true love,

just one touch uhh baby you got me,
if we ever fall
all we gonna do is crawl,
girl take my hand,
i will be your king,
and you will be my queen,

(Bridge)

you know i won't lie,
girl i will be true,
Koz i need you in my life,
i am so glad that i found you,
for better and for worse,
i will stand by you,
true love is sacrifice,
thatâ€™s the price,

(Chorus)

girl you are
the best thing in my life,
girl you are
the apple of my eye,
iâ€™ll give anything
for this feeling,
iâ€™ll give anything
everything Because,
you complete me,
you complete me,
you complete me,
you complete me,
you complete me,

(Verse 3)

you are the best thing in my life,
i am so glad that you are mine,
i have been waiting for you my whole life,
girl when you smile you leave me breathless

(Chorus)

girl you are
the best thing in my life,
girl you are
the apple of my eye,
iâ€™ll give anything
for this feeling,
iâ€™ll give anything
everything Because,

you complete me,
you complete me,
you complete me,
you complete me,
you complete me,
