Mother, please  
I'd rather do it myself

Mama, mama, why must it be  
(Nag, nag, naggity nag)  
You're picking my brain for me  
(Nag, nag, naggity nag)

Well, you tell me who  
You tell me how  
Don't you know  
I'm a big girl now

Mother, please  
I'd rather do it myself

Mama, mama, when I go out  
(Nag, nag, naggity nag)  
You lecture me what love's about  
(Nag, nag, naggity nag)

Well, I have to  
Learn from you like this  
But look at all the fun I've missed

Mother, please  
I'd rather do it myself

You know I've got to  
Make love and live a little  
And what will be, will be

I'm sure you feel  
Tense and irritable  
But don't take it out on me

Mama, mama, you know the score  
(Nag, nag, naggity nag)  
You know you been  
Through the mill before  
(Nag, nag, naggity nag)

Well, you say to stay at home in bed  
But did you obey what your mama said

Mother, please  
I'd rather do it myself

You know I'm gonna go out  
And do it my way  
And find out you were right

Keep your bike out of the driveway  
I'm coming home late tonight

Mama, mama, you told me this  
(Nag, nag, naggity nag)  
There's danger in every kiss  
(Nag, nag, naggity nag)

Well, you say I'll learn  
A heart can break  
Well, that's the chance  
I gotta take

Mother, please  
I'd rather do it myself

Mother, please  
I'd rather do it myself  
(Nag, nag, naggity nag)...
