You can reach the top
Or suddenly drop
All your burdens
I'll gladly bear

Just run to my arms
Yeah, right or wrong
No matter what happens
I'll be there

And darling, darling
I'll be there
Whoa, I'll be there
To protect this love we share

If your friends desert you
Yes, when things go wrong
You can always be sure I care

When you face each dawn
And you think you can't go on
You know I'll, I'll be there

Oh, darling, darling
I'll be there
Yes, I'll be there
I'll always, I'll always be there

And darling, darling
I'll be there
Whoa, I'll be there
I'll always, I'll always be there

Whenever you're in trouble
Darling, I'll be there
You know I'll be there
I'll always, I'll always be there
Oh, oh, yes...
