I felt something the day we met  
Like I just discovered a long lost friend  
I knew I loved ya from that day on  
I still feel the same even though you're gone  
I just believed in the love we had too strong

Always have, always will  
There's a place in my heart no one else could ever fill  
life is good  
I'm okay, hey yeah  
Only God and I know how much I love you still  
Always Have, Always Will

I moved on and I'm doin' fine  
Since I gave up tryin' to turn back time  
It doesn't matter who caused the pain  
All the tears are gone, only love remains  
I still smile every time I hear your name

Always have, always will  
There's a place in my heart no one else could ever fill  
Life is good  
I'm okay, yeah yeah  
Only God and I know how much I love you still  
Always Have, Always Will

yeah, yeah, yeah, yeah

Life is good  
I'm okay, yeah, yeah  
Only God and I know how much I love you still  
Always have, Always will  
Always have, Always will

Oooo, always have,  
oh yeah yeah yeah, always will

ooh hoo
