I don't know
How I survived
In this cold and empty world
For all this time
I only know
That I'm alive
Because you love me

When I recall
What I've been through
There's some things
I wish I didn't do
And now I do
The things I do
Because you love me

And now that you're in my life
I'm so glad I'm alive
'Cause you showed me the way
And I know now how good it can be
Because you love me

And now that you're in my life
Oh, I'm so glad I'm alive
'Cause you showed me the way
And I know now how good it can be
Because you love me

I believe
In things unseen
I believe
In the message of a dream
And I believe
In what you are
Because you love me

With all my heart
And all my soul
I'm loving you
And I never will let go
And every day
I'll let it show

Because you love me
Because you love me
Because you love me
