Boy, you sure look good there
Standing in the doorway
In the sun-setting light
Maybe I read you wrong
Thinking you could be my Mr. Right

I was putting my heart and soul on the line
Said you needed some time
Just a little more time
To make up your mind
Well, it's been long enough
The time is up

Bye, bye, love
I'll catch you later
Got a lead foot down on my accelerator
And the rearview mirror torn off
I ain't never looking back
And that's a fact

I've tried all I can imagine
I've begged and pleaded
In true lovers fashion
I've got pride,
I'm taking it for a ride
Bye, bye,
Bye, bye, my baby
Bye, bye

Don't think all those tears
Are gonna hold me here
Like they've done before
You'll find what's left of us
In a cloud of dust on Highway 4

Baby, what did you expect me to do?
Just sit around and wait on you?
Well, I'm through watching you
Just skate around the truth
And I know it sounds trite
I've seen the light

Bye, bye, love
I'll catch you later
Got a lead foot down on my accelerator
And the rearview mirror torn off
'Cause I ain't never looking back
And that's a fact

I've tried all I can imagine
I've begged and pleaded
In true lovers fashion
I've got pride,
I'm taking it for a ride
Bye, bye,
Bye, bye, my baby
Bye, bye

I've lost the game, I guess
I did my best, to win the part
Now I'm leaving here
With what's left of my heart

Bye, bye,
I'll catch you later
Got a lead foot down on my accelerator
And the rearview mirror torn off
'Cause I ain't never looking back
You can count on that

I've tried all I can imagine
I've begged and pleaded
In true lovers fashion
I've got pride,
I'm taking it for a ride
Bye, bye
Bye, bye, my baby
Bye, bye
Bye, bye

Bye, bye, oh baby
Oh,
Bye, bye,
Bye, bye, my baby
Bye, bye
