I love the way you look at me
Can't you see, you're the only one
That I could ever need?
Can't you feel how much, how much I wanna get
Maybe just a little, just a little bit

Closer, closer than anything
Don't you wanna be
Closer till there's nothing in between
You and me, yeah

I gotta make a secret confession
All I really want is all your affection
Get a little crazy everytime we touch
Close as we are, we could get so much

Closer, closer than anything
Don't you wanna be
Closer, till there's nothing in between
You and me, yeah

Baby, don't you wanna get
Maybe just a little bit
Look into my eyes
And get hypnotized

One little magic kiss
We could always feel like this
Come on over here
And get a little closer

Closer, closer than anything
Don't you wanna be?
Closer, till there's nothing in between
You and me, yeah

Baby, don't you wanna get
Maybe just a little bit
Look into my eyes
Just get hypnotized

One little magic kiss

We could always feel like this
Come on over here
And get a little

Closer, closer than anything
Don't you wanna be, yeah
Closer till there's nothing in between
You and me, yeah

Baby, don't you wanna get
Maybe just a little bit
Look into my eyes
And get hypnotized

One little magic kiss
We could always feel like this
Come on over here, baby
And baby we can get

Closer, closer than anything
Don't you wanna be
Closer till there's nothing in between
You and me, yeah
