I'm not afraid  
I can count on you  
To catch me now  
I'll just let go  
One thing is true  
You won't let me down  
With your arms around to

Cover me  
With the sweetest touch  
I've ever known  
Cover me  
You won't let me  
Face love alone

I know that smile  
It's like a shelter over me  
Your arms will reach me  
Wherever my heart leads  
I'll blindly believe you'll

Cover me  
With the sweetest touch  
I've ever known  
Cover me  
You won't let me  
Face love alone

Cover me  
I lay beneath the sky above  
I close my eyes and let your love  
Cover me

Cover me  
With the sweetest touch  
I've ever known  
Cover me  
You won't let me  
Face love alone

Cover me  
With the sweetest touch  
I've ever known  
Cover me  
You won't let me  
Face love alone

Cover me  
Cover me  
With the sweetest touch  
I've ever known  
Cover me  
You won't let me  
Face love alone
