There's a little bitty flame burnin' deep in my heart
You wanna make something of it?
Oh, do you feel the same, maybe just a little spark?
You wanna make something of it

Do you wanna turn it into somethin'
That's a burnin' like a ragin' fire out of control
Well, I'm waitin' for you tell me what you wanna do
You wanna make something of it?

There's a little bitty seed growin' deep in my soul
You wanna make something of it?
You got everything it needs, just to help it to grow
You wanna make something of it?

Run wild like a vine, if you only took the time
To meet me in the garden of love
It be a sweet situation if you had the inclination
Wanna make something of it?

Oh yeah, I admit it
I love you, yes, I do
What you do with it
Is all up to you, oh yeah

Oh yeah, I admit it
I love you, yes, I do
What you do with it
Is all up to you

There little bitty flame burnin' deep in my heart
Wanna make something of it?
Oh, do you feel the same, maybe just a little spark
You wanna make something of it?

Do you wanna turn it into something
That burnin' like a ragin fire out of control?
Well, I'm waitin for you, tell me what you wanna do?
You wanna make something of it

Well, I'm waiting for you tell me what you wanna do?
You wanna make something of it

Well, I'm waiting for you tell me what you wanna do?
You wanna make something of it
