Somebody's gonna give you a lesson in leavin'
Somebody's gonna give you back what you've been
givin' And I hope that I'm around
To watch them knock you down

Its like you to love them and leave them
Just like you loved me and left me
Its like you to do that sort of thing
Over and over again
Your a foolhearted man

I hear you been asking about me from some of my
friends
Well you better believe that Im not going through that
again
You're the kind of man a woman thinks she can change
Oh but the only thing changin'
Is my way of thinkin' and Im thinkin' that maybe
someday

Somebody's gonna give you a lesson in losin'
Somebody's gonna do to you what you been doin'
And I hope that Im around
To watch them knock you down

Somebody's gonna give you a lesson in hurtin'
Somebody's gonna leave you with a fire burning
And no way to put it out
Baby there ain't no doubt
You're a foolhearted man

You're the kind of man (your the kind of man)
A woman thinks she can change
But the only thing changin' is my way of thinkin'
And Im thinking that maybe someday

Somebody's gonna give you a lesson in leavin'
Somebody's gonna give you back what you've been
givin'
And I hope that I'm around
To watch them knock you down
Oh, Its like you to love them and leave them

Just like you loved me and left me
Its like you to do that sort of thing
Over and over again
Your a foolhearted man

Somebody's gonna give you a lesson in leavin
Somebody's gonna give you back what you've been
givin
And I hope that I'm around
To watch them knock you down
Oh, Its like you to love them and leave them
Just like you loved me and left me
Its like you to do that sort of thing
Over and over again
Your a foolhearted man

Oh, a foolhearted man
Fool
Oh, a foolhearted man
Ohhh Ohhh a foolhearted man
