Look at who the wind's  
Blowin' up the road  
Shining like a northern star  
Actin' like the answers  
To all my prayers  
But, baby, I know what you really are

So don't you knock on my door  
I won't be home anymore  
You can find me out walking in the sun  
Oh, you hide it so well  
It isn't easy to tell  
But I know a heartache  
When I see one

There was a time  
I was a true believer  
Your love was the only way  
Well you can save all your sweet talkin'  
For some other fool  
Only a fool would believe what you say

So don't you knock on my door  
I won't be home anymore  
You can find me out walking in the sun  
Oh, you hide it so well  
It isn't easy to tell  
But I know a heartache  
When I see one

Time is a teacher  
Oh, and it's taught me well  
The loser is the one who cries  
And when you've cried like a baby  
And you've hurt like hell  
You know the devil  
By the look in his eyes

So don't you knock on my door  
I won't be home anymore

You can find me out walking in the sun  
Oh, you hide it so well  
It isn't easy to tell  
But I know a heartache  
When I see one

So don't you knock on my door  
I won't be home anymore  
You can find me out walking in the sun  
Oh, you hide it so well  
It isn't easy to tell  
But I know a heartache  
When I see one

I know a heartache when I see one
