It's not easy saying this to you.
It's the hardest thing I'll ever have to do.
But boy before you go, I want you to know...

I wish you strength, when times are hard.
Oh I wish with all my heart you find
just what you're looking for.
I wish you joy, I wish you peace.
And that every star you sees within your reach.
And I wish you still loved me.

I wish that things were different,
you know that.
But I'm still happy for the time we had.
You mean the world to me,
oh baby please believe...

I wish you strength, when times are hard.

Oh I wish with all my heart you find
just what you're looking for.
I wish you joy, I wish you peace.
And that every star you sees within your reach.
And I wish you still loved me.

Oh losing you is tearing me apart,
but apart of me will be with you no matter where you
are.

I wish you strength, when times are hard.
Oh I wish with all my heart you find
just what you're looking for.
I wish you joy, I wish you peace.
And that every star you sees within your reach.
And I wish you still loved me.

Oh I wish you still loved me.
