I'll admit, I can be hard to please  
Now and then I disagree just to disagree  
There are times, I want what I want 'cause I want it  
And there are things, I don't know I have when I've got  
'em

But when I look at you, I ask myself  
How could there be somebody else?

If not you, who  
Is ever gonna make me happy  
If not love, what  
Is it I feel for you

If I search the world  
Over under still I wonder  
Who would I be looking for?  
Yeah, who, if not you

When I'm stuck and feel locked up you turn the key  
You minimize all of my insecurities  
You always seem to know what I need when I need it  
And when I say I need only you, believe it

Of all the many mysteries yet to come  
I'll have solved the most important one

If not you, who  
Is ever gonna make me happy  
If not love, what  
Is it I feel for you

If I search the world  
Over under still I wonder  
Who would I be looking for?  
Yeah, who, if not you

There are times I want what I want 'cause I want it  
And there are things, I don't know I have when I've got  
'em

But when I look at you, I ask myself

How could there be somebody else

If not you, who  
Is ever gonna make me happy  
If not love, what  
Is it I feel for you

If I search the world  
Over under still I wonder  
Who would I be looking for?  
Yeah, who, if not you

If not you  
If not you  
If not you  
Who  
If not you  
If not you

If not you, who  
If not you  
If not you

If not you
