When every trust you hold  
And every truth you're told  
Goes up in a cloud of smoke  
And every lesson learned  
Every corner turned  
Ends up as a winding road  
Don't be afraid

Sometimes you've got to talk into the dark  
To find your way beyond the shadows  
Shadows of your heart

(Oh oh oh)  
(Keep the faith, Keep the faith)  
Ohhh (Keep the faith)  
Keep the faith, yeah yeah yeah  
When you're still searchin'  
(Keep the faith, keep the faith, keep the faith)  
You've gotta just believe  
And remember, remember to keep the faith  
(Keep the faith, keep the faith, keep the faith)

Oh I don't know why  
No matter how I try  
I manage to lose my way  
Covered up in doubt  
No easy way out  
Oooo takin' it day by day

I don't have the answers  
Sometimes I, I don't know if I'm strong enough  
But when I feel like givin' up  
I've got to remind myself  
Ohhh (oh oh oh)  
(Oh oh oh)  
(Keep the faith, Keep the faith)  
Ohhh (Keep the faith)  
Keep the faith, yeah yeah yeah  
When you're still searchin'  
(Keep the faith, keep the faith, keep the faith)  
You've gotta just believe  
And remember, remember to keep the faith

(Keep the faith, keep the faith, keep the faith)

(Oh no) You don't have to climb  
(Oh no) Any mountain  
(Oh no) You don't have to move  
(Oh no) You don't have to see  
(Oh no) You don't have to know  
Yeahhh, oh just remember

(Oh oh oh)  
(Keep the faith, Keep the faith)  
Ohhh (Keep the faith)  
Keep the faith, yeah yeah yeah  
When you're still searchin'  
(Keep the faith, keep the faith, keep the faith)  
You've gotta just believe  
And remember, remember to keep the faith  
(Keep the faith, keep the faith, keep the faith)

Yeah, just believe, just believe  
Oh yeah, yeah, yeah
