Well, you filled up my head with so many lies
You twisted my heart till somethin' snapped inside
I'd like to give it one more try
But my give a damn's busted

You can crawl back home, say you were wrong
Stand out in the yard and cry all night long
Go ahead and water the lawn
My give a damn's busted

I really wanna care
I wanna feel somethin'
Let me dig a little deeper
No, sorry, nothin'

You can say you've got issues, you can say you're a
victim
It's all your parents fault, I mean, after all you didn't
pick 'em
Maybe somebody else has got time to listen
My give a damn's busted

Well, your therapist says it was all a mistake
A product of the Prozac and your co-dependent ways
So who's your enabler these days?
My give a damn's busted

I really wanna care
I wanna feel somethin'
Let me dig a little deeper
No, still nothin'

It's a desperate situation, no tellin' what you'll do
If I don't forgive you, you say your life is through
C'mon, gimme somethin' I can use
My give a damn's busted

Well, I really wanna care
I wanna feel somethin'
Let me dig a little deeper
No man, sorry

Just nothin', you know
You've really done it this time
My give a damn's busted
