Here I am beggin' you to hold me
When everything is tellin' me to run
I should turn around, leave this town
Without a sound and never say word one, just call it
done

But I'm torn right down the middle
I'm on both sides of the line
I know I should be leavin'
But the choice ain't mine

There's nothing I can do
I can't fight it
I got a heart like a rocket
I just gotta ride it

Oh, the cold hard truth
When it comes to lovin' you
There's nothing I can do
Nothing I can do

These footprints on my heart tell a story
Many times it's been a steppin' stone
Oh, it's been pushed around, broken down
Until I found I was better off alone, out on my own

I remember every heartache
Just like it was yesterday
But baby when you hold me
You take all that pain away

There's nothing I can do
I can't fight it
I got a heart like a rocket
I just gotta ride it

Oh, the cold hard truth
When it comes to lovin' you
There's nothing I can do
Oh, I couldn't help myself from fallin'
Even if I really wanted to

Oh, there's nothing I can do
I can't fight it
I got a heart like a rocket
And I just gotta ride it

Oh, the cold hard truth
When it comes to lovin' you
There's nothing I can do
Nothing I can do

There's nothing I can do
Nothing
Oh, there's nothing I can do
Nothing I can do

Oh, there's nothing I can do, oh no
Oh, there's nothing I can do
