Every week it comes 'round
With a feel like New Year's Eve
Get dressed, de-stressed
Tonight I couldn't care less
Take a look at me

So I put myself together
Paint my lips and lashes on
'Cause I know there's someone out there
Wantin' me to come along

It's the night of the week
When my dreams hit the street
With boots and blue jeans on
Take a shot at romance
Do I stand a chance

Will destiny be good to me
It's the thrill of the kiss
That on Monday I'll miss
When I look back and say

Well, oh my Lord
You should have seen me Saturday
Saturday, oh, Saturday Night

Mary's got a Mustang
We all pile in
Downtown, top down
Rockin' while we ride around
Let the night begin

I'm just searchin' for a dreamer
Who'll steal my heart away
Strong and shy with I dare you eyes
And a smile who lights the way

It's the night of the week
When my dreams hit the street
With boots and blue jeans on
Take a shot at romance
Do I stand a chance

Will destiny be good to me
It's the thrill of the kiss
That on Monday I'll miss
When I look back and say

Well, oh my Lord
You should have seen me Saturday
Saturday, oh, Saturday Night

Five days out of seven slavin'
I need one that's just for me

It's the thrill of the kiss
That on Monday I'll miss
When I look back and say

Well oh my Lord
You should have seen my Saturday
Oh, Saturday, Saturday, Saturday
Oh, Saturday night
