You know you tore me up  
You really wore me out  
I swear I cried so much  
That I nearly drowned

You were on to her  
And I was on my own  
Now it's you who calls  
And it's me who's never home

Who's crying now finally figured out?  
It could have been forever  
Who's crying now knowing it's too late  
To get us back together?  
I'm finally free, back on my feet  
It sure ain't me, who's crying now

I've lost a few more pounds  
I'm getting back in shape  
If you could see me now  
You'd do a double take

I'm shakin' off my past  
I've got a whole new groove  
I'm even back in love  
But baby, it ain't with you

Who's crying now finally figured out?  
It could have been forever  
Who's crying now knowing it's too late  
To get us back together?  
I'm finally free, back on my feet  
It sure ain't me, who's crying now

Who's lonely now  
Who's sad now that I don't miss  
The love we had?

Who's crying now finally figured out?  
It could have been forever  
Who's crying now knowing it's too late  
To get us back together?

I'm finally free, back on my feet  
It sure ain't me, who's crying now

Who's crying, who's crying?
