Hey, ooh

Here goes another day, a hug and a kiss
And we're on our way
A cup of coffee for the road
Baby, I can't wait to get back home

We juggle all our hopes dreams
With a million responsibilities
Now and then we drop the ball
We lean sometimes but we never fall

Look at me, look at you, look at all that we've been
through
With a lot of love and a little luck
So far it's been so good, cross your fingers, knock on
wood, and pray
And if it helps go and throw a dollar in the wishing well

It ain't always laughs and smiles
But the carousel just ain't our style
The roller coaster suits us fine
Boy the ups and downs livin' up the ride

Look at me, look at you, look at all that we've been
through
With a lot of love and a little luck
So far it's been so good, cross your fingers, knock on
wood, and pray
Oh, and if it helps go and throw a dollar in the wishing
well

Oh, let a hundred pennies fall
Splash and send up all our dreams to heaven, oh, oh

Look at me, look at you, look at all that we've been
through
With a lot of love and a little luck
So far it's been so good, cross your fingers, knock on
wood and pray
Oh, and if it helps, throw a dollar in the wishing

Throw another dollar in the wishing, throw a dollar in
the wishing well
Oh, oh, in the wishing well, oh
(Wishing well)
