Sign says, "Welcome Gringo  
Uno dollar tequila"  
It was smouldering hot  
We pulled over to stop for a surly Sophia  
When some old Mexican man with a guitar tan  
Heads off with a sweet senorita  
From that first dance  
You couldn't slip a cigarette paper between us

Well I didn't know 'til I fell in too deep  
The song was for her but the word was for me

Hang on to your soul with a tight clenched fist  
When you're dancing with the devil's daughter  
She'll leave you dying of thirst for one more kiss  
And tease you like a drink of water  
She knows how to make you sing  
And feel like it's heaven you're in  
When the heat of passion grows hotter and hotter and  
hotter,  
You're dancing with the devil's daughter

Tried to warn me about her  
Lust for pesos and power  
Mr. Gringo beware of that rose in her hair  
'Cause even a cactus grows a flower  
When I saw that sign and set the apple down  
When I should've turned around  
Well I didn't know what it meant back then  
But I know now

When she walks as you pass the point the point of no  
return  
You'll beg for more no matter how bad it burns

Hang on to your soul with a tight clenched fist  
When you're dancing with the devil's daughter  
She'll leave you dying of thirst for one more kiss  
And tease you like a drink of water  
She knows how to make you sing  
And feel like it's heaven you're in  
When the heat of passion grows hotter and hotter and

hotter  
You're dancing with the devil's daughter

Songs from his guitar and  
Smoke from his cigar and  
Sparks from her castanets  
Thought it was desire that had my heart on fire  
But I learned a lesson I'll never forget

Oh  
She knows how to make you sing  
And feel like it's heaven you're in  
'Til the heat of passion grows hotter and hotter and  
hotter  
'Til it's asta luego an army of angels can't stop her  
You're dancing with the devil's daughter
