Her daddy owned some oil rigs west of San Antonio  
He made a lot of money but he never made it home  
He did a lot of drilling, wasn't always in the ground  
Usually with the waitress on the other side of town  
Mama read the bible, she knew right from wrong  
Just like oil and water they didn't get along

'Cause she's Daddy's little roughneck and she's  
Mama's beauty queen  
She's been a lot of trouble since the day she turned  
sixteen  
Boys all want to have her but she's got attitude  
She's Texas, West Texas crude

Private schools and ballet, that girl has been around  
Now she's drinking longnecks and letting her hair down  
She's on the open market, her price is on the rise  
She'll always keep you guessing 'cause you're not the  
only guy  
If you dig below the surface you might strike it rich  
You better keep her happy or you'll have a mess to fix

'Cause she's Daddy's little roughneck and she's  
Mama's beauty queen  
She's been a lot of trouble since the day she turned  
sixteen  
Boys all want to have her but she's got attitude  
She's Texas, West Texas crude

She thinks she's so refined  
But it is only in her mind

'Cause she's Daddy's little roughneck and she's  
Mama's beauty queen  
She's been a lot of trouble since the day she turned  
sixteen

Yeah she's Daddy's little roughneck and she's Mama's  
beauty queen  
She's been a lot of trouble since the day she turned  
sixteen  
Boys all want to have her but she's got attitude

She's Texas, West Texas crude

She's West Texas crude

She's West Texas crude

She's West Texas crude

Mmmmm West Texas crude
