i been waitin' all day for ya babe  
so won't you come sit and talk to me  
and tell me how we be together always  
i hope you know when it's late at nite  
i hold on to my pillow tight  
and think how you promised me forever  
[I never thought that anyone]  
Could make me feel this way  
[and now that your here boy all i want]  
is just a chance to say

### CHORUS

get out [leave]right now  
it's the end you and me  
it's too late [now] and i can't wait  
for you to be gone  
cuz i kno about her [move]  
and i wonder[why]  
how i bought all those lies  
you said that you could treat me rite  
but you was just a waste of time [waste of time]

vs.2 tell why u lookin' so confused  
when i'm the one who didn't know the truth  
how could you ever be so cold  
to go behind my back and call my friend  
boy you must've gone bumped ya head  
because you left her numba on yo phone  
[now that all is said and done]  
maybe i'm the one to blame but i  
(to think that you that you could be the one)  
well i didn't work i that way

### chorus

i wanted u rite here with me  
but i have no choice u gotta leave  
because my heart iz breakin'  
with every word i'm sayin  
i gave up everything i had  
on somethin' that jus wouldn't last

but i refuse to cry no tears will fall from these  
eeeeeeeyyyyyyyyyeeeeeeeeesssssss  
ooh oh oh  
GET OUT
