I believe the children of our future
teach them well and let them lead the way
show them all the beauty they process inside
give me a sense of pride to make it easier
let the childrens laughter remind us how we used to be
I decided long ago never to walk in anyones shadow
if i fail if i succeed at least i lived as i believe
no matter what they take from me they can't take away
my didnity
because the greatest love of all is happening to me
i found the greatest love of all inside of me
the greatest love of all is easy to achieve
learning to love your self it is the greatest love of all
and if by chance that special place that you've been
dreaming of
leads you to a lonley place find your strength in love
