8 - Take It Easy

Oh, yes I'm in need of a friend.

Just a little sonny lover boy

Oh, yes, I want to break 'fore I bend

Come on girl, let's try the other, yeah, all right

(Chorus)

We got no reason to stand alone on home

Everybody come to let that river flow

Take it easy. Take it nice and strong

Come on baby, we got so far to go

Oooh, yes you need love like I do, oh oh oh oh yes

Oooh yes well now your face is my cue

Oh oh oh oh yeah, all right

(Chorus)

Ooooh, yes I can feel all your heat, oh oh oh oh yes

Ooooh, yes I get this love off the street, come on

Oh oh oh oh oh yeah, all right

(Chorus)
