When you've climbed the highest mountain  
When a cloud holds the sunshine in  
Suddenly there's a valley  
Where the earth knows peace with man  
When a storm hides the distant rainbow  
And you think you can't find a friend  
Suddenly there's a valley  
Where friendships never end  
Touched only by the seasons  
Swept clean by the waving grain  
Surveyed by a happy bluebird  
And kissed by the falling rain  
When you think there's no bright tomorrow  
And you feel you can't try again  
Suddenly there's a valley  
Where hope and love begin  
Suddenly there's a valley
