(Wind in the willow tree)

Wind in the willow
Will he be mine
Tell me, tell me true

[CHORUS]
Wind in the willow
Tell him that I
Will be ever faithful and true

[VERSE 3]
Moon up above shine my love
Tell him of how I yearn
Wave of the sea tell him for me
I'll wait until he returns

Wind in the willow
Whisper to him
Whisper, whisper true

[Repeat CHORUS]

[Repeat VERSE 3]

Wind in the willow
Whisper to him
Whisper, whisper true

[Repeat CHORUS]

Wind in the willow tree
