My dearest, my darling  
Tomorrow is near  
The sun will bring showers  
Of sadness, I fear

Your lips won't be smiling  
Your eyes will not shine  
For, I know tomorrow  
That your love won't be mine

It's almost tomorrow  
But what can I do  
Your kisses all tell me that  
Your love is untrue

I'll love you forever  
Til stars cease to shine  
And hope someday, darling  
That you'll always be mine

Your heart was so warm, dear  
It now has turned cold  
You no longer love me  
For your memories grow old

It's almost tomorrow  
For here comes the sun  
But still I am hoping that  
Tomorrow won't come

It's almost tomorrow  
But what can I do  
Your kisses all tell me that  
Your love is untrue

I'll love you forever  
Til stars cease to shine  
And hope someday, darling  
That you'll always be mine
