You're clear out of this world.  
When I'm looking at you  
I hear out of this world  
The music that no mortal ever knew.

You're right out of a book,  
A fairy tale I read when I was so high.  
No armored knight out of a book  
Was more enchanted by a Lore-Lei than I,

After waiting so long for the right time,  
After reaching so long for a star,  
All at once, from the long and lonely night time  
And despite time, here you are.

I'd cry out of this world  
If you said you were through.  
So let me fly out of this world  
And spend the next eternity or two with you.
